ABOUT L'ÉTRANGE FESTIVAL

Founded in 1993 by music producer, film-freak and journalist **FRÉDÉRIC TEMPS**, **L'ÉTRANGE FESTIVAL** is often regarded as the most «*exciting cultural event of the Fall season*» or the «*only festival where you can run across the father of midnight movies and the father of slasher horror*».

Since its inception, **L'ÉTRANGE FESTIVAL** has showcased the most exciting examples of contemporary international cinema from every corner of the globe, ranging from provocative documentaries, mind-blowing experimental works, atypical art-house dramas, eccentric or subversive comedies, bizarre children's films, vintage Hollywood B-movies, European sleaze cinema, Japanese sexploitation and even mainstream movies that dare to go the extra mile...
